

Missionary Prayer Requests
January 2016

HERITAGE MISSIONARIES

Doug & Pam Nuenke (Colorado Springs) – Pray for learning and connections at a leader development event in mid-January. This bright group of young leaders will lead The Navigators into the future.

Pray for God's favor and protection against the enemy's strongholds as we work to increase the diversity of our ethnic footprint in the U.S. Navigators. Pray He would guide as we lead in this initiative.

Pray for our involvement with those we disciple and mentor and for our role as parents to our adult children: Beth Ann and Eric – wisdom as they parent and juggle jobs, church and relationships, including reaching out to their neighbors; Hank and Lauren – connecting with other believers and for protection and wisdom for Hank in his job as a police officer; Will-continued spiritual growth and relationships with guys in his Bible Study, wisdom in handling a schedule of classes and work.

Glenda (Florida) – Ask the Lord for a good month of research and contacts for our future team selection and strategy. Ask the Lord that the research would be completed by end of March 2016.

Bring before God my team's desire to seek first His Kingdom and His Righteousness in the ministry to which He has called us to do. (Reference - Matt 6:33)

Ask God to raise up devout men and women, like Cornelius, from each people group, who God would be used by God to bring each household and community to fear God and be baptized. (Reference - Acts 10)

Rose (Israel) - Please pray for healing for very painful sciatic pain, I've had it for the last two weeks. I am unable to see a physical therapist until mid January.

Pat Runyon (Colorado) – Pray that my visa for Russia will come in before I need to leave for a woman's conference there on Jan. 14th.

Pray for a young student that needed surgery that I brought back from Cote d'Ivoire, Africa; that her recovery will go well and she is able to return the latter part of January.
